# The affordable answer to creating a contemporary great looking bathroom.

Maui's range of showers gives you the ability to pick from an affordable range to suit your budget. You can choose from in-line, corner or bath shower options.

For showers that do not have a door there is a need to have the whole bathroom floor as a wet area. This is a requirement if the edge of the screen is less than 1500mm from the shower rose. (Ref NZ Building Code E3).
